

Closed Circuit Television (CCTV) Policy

Autumn 2022

Our Lady of Fatima Catholic Multi Academy Trust is a charitable company limited by guarantee registered in England and Wales under company registration number: 07696069 and registered address: St. Alban's Catholic Academy, First Avenue, Harlow, Essex, CM20 2NP.

Introduction

Our Lady of Fatima Catholic Multi Academy Trust uses closed circuit television (CCTV) images in all its schools to reduce crime and monitor the school buildings in order to provide a safe and secure environment for pupils, staff and visitors, and to prevent the loss or damage to school property.

The system comprises of a number of fixed cameras. The system does not have sound recording capability.

The CCTV system is owned and operated by the Trust and the deployment of which is determined by the Trust's leadership team.

All authorised operators and employees with access to images are aware of the procedures that need to be followed when accessing the recorded images. All employees are aware of the restrictions in relation to access to, and disclosure of, recorded images.

Statement of Intent

The Trust complies with Information Commissioner's Office (ICO) CCTV Code of Practice to ensure it is used responsibly and safeguards both trust and confidence in its continued use. The Code of Practice is published at:

http://www.ico.gov.uk/~media/documents/library/Data_Protection/Detailed_specialist_guides/ICO_CCTVFINAL_2301.ashx

CCTV warning signs will be clearly and prominently placed around the school.

The planning and design has endeavoured to ensure that the Scheme will give maximum effectiveness and efficiency but it is not possible to guarantee that the system will cover or detect every single incident taking place in the areas of coverage.

Siting the Cameras

Cameras will be sited so they only capture images relevant to the purposes for which they are installed and care will be taken to ensure that reasonable privacy expectations are not violated. The Trust will ensure that the location of equipment is carefully considered to ensure that images captured comply with the Data Protection Act.

The Trust will make every effort to position cameras so that their coverage is restricted to the school premises, which may include outdoor areas. CCTV will not be used in classrooms.

Members of staff should have access to details of where CCTV cameras are situated, with the exception of cameras placed for the purpose of covert monitoring

Covert Monitoring

The Trust may in exceptional circumstances set up covert monitoring. For example:

- Where there is good cause to suspect that an illegal or unauthorised action(s), is taking place, or where there are grounds to suspect serious misconduct;
- Where notifying the individuals about the monitoring would seriously prejudice the reason for making the recording.

In these circumstances, authorisation must be obtained from a member of the senior management team. Covert monitoring must cease following completion of an investigation.

Cameras sited for the purpose of covert monitoring will not be used in areas which are reasonably expected to be private, for example toilets.

Storage and retention of CCTV images

Recorded data will normally be retained for a minimum of two weeks, unless an incident occurs which necessitates extraction and retention of said piece of evidence. While retained, the integrity of the recordings will be maintained to ensure their evidential value and to protect the rights of the people whose images have been recorded.

All retained data will be stored securely.

Access to CCTV images

Access to recorded images will be restricted to those staff authorised to view them, and will not be made more widely available.

Subject Access Requests (SAR)

Individuals have the right to request access to CCTV footage relating to themselves under the Data Protection Act.

All requests should be made in writing to the Headteacher. Individuals submitting requests for access will be asked to provide sufficient information to enable the footage relating to them to be identified. For example, date, time and location.

The Trust will respond to requests within 40 calendar days of receiving the written request and fee. A fee of £10 can be charged per request.

The Trust reserves the right to refuse access to CCTV footage where this would prejudice the legal rights of other individuals or jeopardise an ongoing investigation.

Access to and Disclosure of Images to Third Parties

There will be no disclosure of recorded data to third parties other than to authorised personnel such as the Police and service providers to the Trust where these would reasonably need access to the data (e.g. investigators).

Requests should be made in writing to the Headteacher.

The data may be used within the Trust's discipline and grievance procedures as required, and will be subject to the usual confidentiality requirements of those procedures.

Complaints

Complaints and enquiries about the operation of CCTV within the Trust should be directed to the Headteacher or the Head of school in the first instance.

Further Information

Further information on CCTV and its use is available from the following:
